

# STORM SHELTER REGISTRATION

---

The City of Glenpool has a Storm Shelter database and would like to include your certified installed storm shelter and/or safe room in this list.

In the event of a disaster, a print-out of all locations for storm shelters and safe rooms in the city will be distributed to early responders to help look for survivors.

There is no charge for this service.

Simply fill out this form and mail or return to:

City of Glenpool  
Community Development  
12205 S Yukon Ave  
Glenpool, OK 74033
