6. Households can mitigate and prepare for natural hazards to minimize or prevent damage to property, injuries, and loss of life. The precautions you take and training you receive can make a big difference in your ability to recover from a natural disaster or emergency. Access to basic services, such as electricity, gas, water, telephones and emergency care may be cut off temporarily, or you may have to evacuate at a moment's notice.

In the following list, please check those activities that you have done in your household, plan to do in the near future, have not done, or are unable to do.

In your household, have you or someone in your household:	Have Done	Plan To Do	Not Done	Unable To Do
