Acknowledgement

I, _____ (Applicant) on behalf of _____ (Builder), hereby acknowledge and accept the following conditions and responsibilities regarding any request for City of Glenpool water service located at _____ (the Project). Upon the payment of applicable water tap, meter, and any account escrow fees required to establish service at the above listed Project, the Applicant:

- Certifies that upon request for water service by the Applicant, the existing grade at the service meter location is at final finished grade. After the initial installation, any grade re-adjustment of meter facilities necessary to comply with City requirements, shall be the Applicants responsibility or will be performed by the City and invoiced to the Applicant. No final building inspection for the project will be performed until costs incurred by the City are paid by the applicant.
- Certifies that any damage incurred to the water meter, water meter enclosure, or any other related City facilities serving the Project shall be the responsibility of the Applicant. The cost of any repairs or replacements performed by the City shall be invoiced to and paid by the Applicant prior to receiving final building inspection for the Project.
- Agrees that all monthly invoices for the City water service to the Project shall be paid current prior to final building inspection and issuance of a Certificate of Occupancy.
