April 26, 2017

Dear Mayor and Members of the City Council:

The accompanying proposed budget for the 2017-2018 fiscal year is submitted for your review and discussion. The annual budget process provides the city with the opportunity to review not only where it has been historically, but where it is headed in the future. The results of that process are encapsulated in the estimated revenues and expenditures/expenses that are included in the accompanying fund and department level budget proposals.

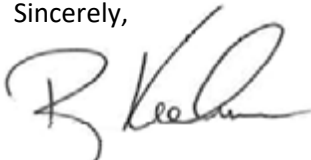

The FY 2017-2018 budget proposal is prepared and presented in accordance with the Oklahoma Municipal Budget Act and includes budgets required for all funds under the control of the City of Glenpool and its two Trust Authorities.

Highlights of the proposed budget include:

- Salary increases for all represented and non-represented employees.
- \$250,000 for general road maintenance projects.
- Increased focus on parks and leisure, with \$40,000 budgeted for maintenance and improvement projects in the operating funds.
- Council Contingency line item to address unforeseen opportunities that may arise during the year.
- Capital projects budgeted in the new Public Safety Capital Fund include the purchase of two police vehicles, mobile computers for the police department, and fire gear and protective breathing apparatus for firefighters. In the Streets & Infrastructure Fund, funding is provided for lane improvements on Warrior Road and turf maintenance equipment for the new soccer complex currently under construction. Other major projects include the rehabilitation of a lift station, and updates at the Conference Center.

Sales tax revenues have continued to suffer in the Tulsa metro area because of the downturn in the energy sector; thus, the FY18 budget assumes sales tax revenues will remain flat over the coming fiscal year. However, Glenpool is poised for continued growth with several new projects in progress. Glenpool's first major medical complex is well underway, and a large auto dealership is expected to break ground soon. These and other pending projects are key in fueling future development in Glenpool.

Sincerely,

Roger Kolman, M. Admin, CPA  
City Manager

### Budget Process

The budget process for FY2018 began with estimating anticipated revenues. This largely involved reviewing revenue trends over the last several years, assessing current economic factors and future economic predictions, and determining expected growth in the overall population of the City. Sales Tax revenues are expected to remain flat in FY2018. With grants and other one-time revenues excluded, the FY2018 budgeted revenues reflect a -0.6% decrease over the FY2017 budget, and a 0.2% increase over FY2017 projections.

The expenditure budget process for FY2018 began with the current FY2017 spending budget. The one-time items built into the FY2017 budget were removed and increases in contracts and other expenditures were calculated to produce a base FY2018 budget. Workers' Comp insurance premiums were budgeted to increase 10%; health insurance premiums increased 9%; utilities and motor fuel are budgeted to remain even with prior year budget. A 3% wage increase is also included for all non-contractual employees in addition to negotiated wage increases for union and other contractual employees.

### Budget Overview

#### Revenues

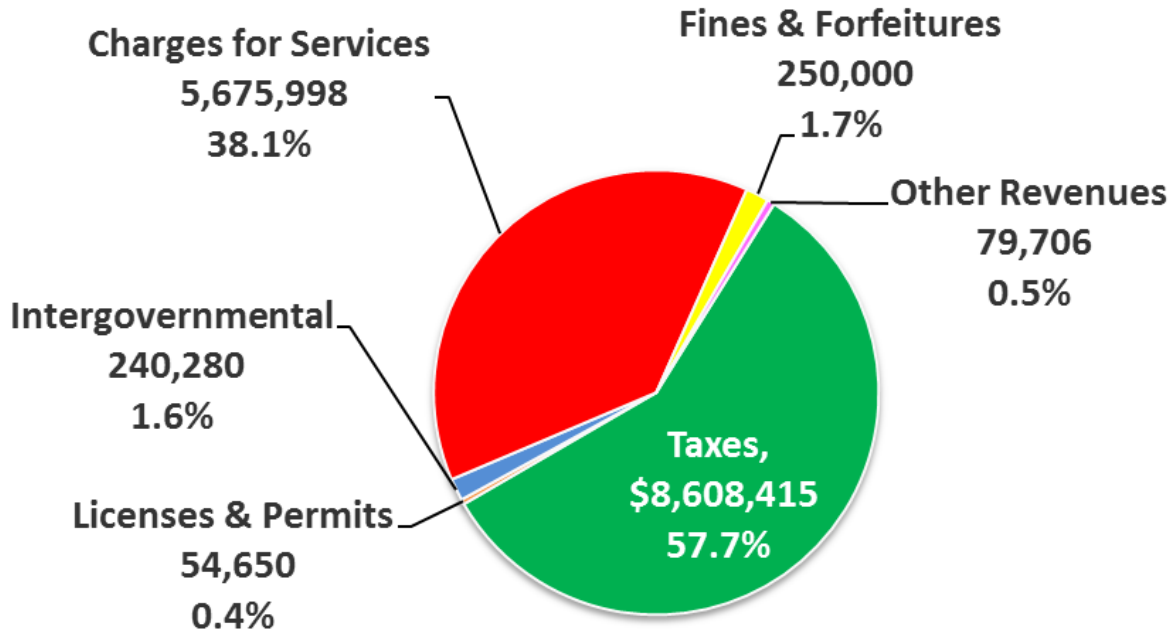

Budgeted revenues are reported in the following categories: **Taxes** include sales tax, use tax, hotel/motel tax, franchise tax and E-911 fees. **License and Permits** include various business licenses and building permits. **Charges for Services** consists of development fees, zoning fees, inspection fees, animal adoption fees, water and sewer usage fees and reimbursement for services, such as the School Resource Officer and first responder fees charged to other organizations. **Intergovernmental** revenues include gasoline excise tax, tobacco tax, and E-911 fees and various grants. **Fines and Forfeitures** include adult and juvenile fines. **Other Revenues** consists of various miscellaneous revenues. Finally, **Investment income** includes earnings on investments and bank accounts and bond funds.

Sales Tax is the largest single revenue source for the General Fund and the City. The 5.1% sales tax levy is divided between various funds as authorized by voters as shown in the table below:

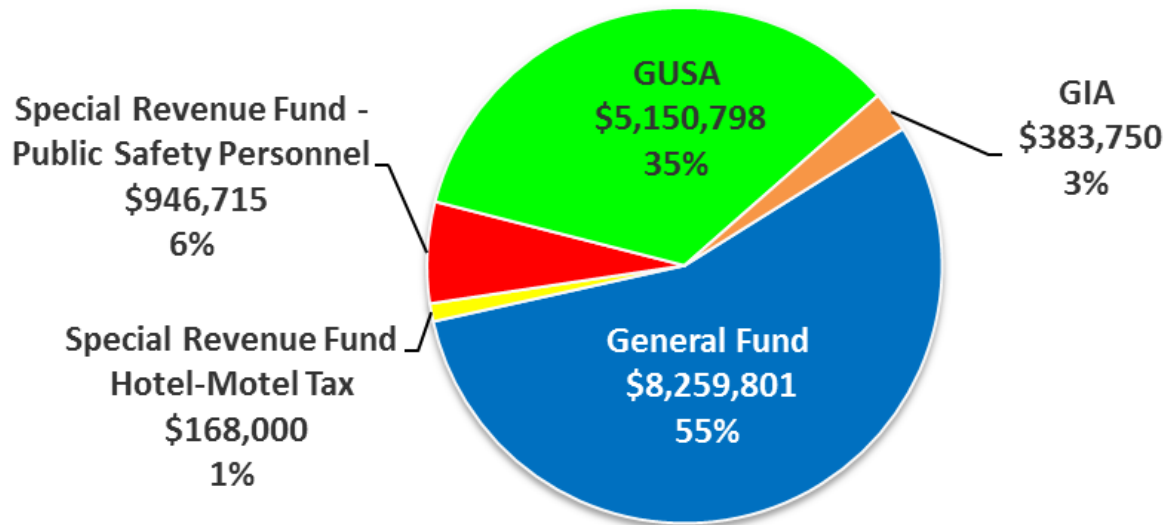

City Sales Tax Levy	Fund	Description
3.0%	General Fund	Permanent tax which funds general operations of the City
1.0%	Capital projects/Debt service	Temporary tax effective through March 31, 2021 for capital improvements and debt service.
0.55%	Public Safety Personnel	Permanent tax which funds some police and fire personnel
0.29%	Streets & Infrastructure	Temporary tax effective through December 31, 2036 for capital improvements and economic development.
0.26%	Public Safety Capital	Temporary tax effective through December 31, 2036 for public safety needs such as police vehicles, fire trucks, building improvements and other equipment.
<b>5.10%</b>	<b>Total</b>	

Total FY2018 operating revenues are budgeted to generate \$14,909,064. The charts below reflect the composition of operating revenues by category and fund:

**Operating Revenues by Category**

**Operating Revenues by Fund**

### Expenditures

The FY2018 expenditure budget is divided into eight basic categories. **Personal Services** encompasses all expenditures related to employee costs, such as salaries, benefits, and uniforms. **Materials & Supplies** includes office supplies, motor fuel, minor tools and equipment. **Other Charges and Services** includes general property and liability insurance premiums, contract services, postage, and telephone and utilities. **Travel and training** includes employee training and travel expenses. **Repairs and Maintenance** includes equipment and building maintenance, vehicle repairs, street repairs, park maintenance and property maintenance. **Miscellaneous** includes sale of assets, rental income, refunds, and other miscellaneous revenues. **Capital Outlay** includes machinery and equipment, office equipment, vehicles, and building improvements. **Debt service** includes principal and interest payments on debt and fiscal agent fees.

Total operating expenditures budgeted for FY2018 is \$15,555,389. The following charts reflect the distribution of operating expenditures by category and fund:

**Operating Expenditures by Category**

**Operating Expenditures by Fund**

## Budget Law

The City has adopted the provisions of the Municipal Budget Act (Title 11 O.S. §§ 17-201 through 17-216). In accordance with the Budget Act, the following process is used to adopt the annual budget:

- a. By June 1, the City Manager submits to the City Council a proposed operating budget for the fiscal year commencing the following July 1.
- b. Public hearings are conducted to obtain citizen comments. At least one public hearing must be held no later than 15 days prior to July 1.
- c. Subsequent to the public hearing but no later than seven days prior to July 1, the budget is adopted by resolution of the City Council.
- d. The adopted budget is filed with the Office of State Auditor and Inspector.

All funds of the City with revenues and expenditures are required to have annual budgets and all budgets must be balanced (i.e. estimated revenues + appropriated fund balance = appropriations). The legal level of expenditure and encumbrance control is department appropriation total within a fund. Accounting for expenditures must at least be at the object category level within each department as follows:

- Personal Services
- Materials and Supplies
- Other Services and Charges
- Travel & Training
- Repairs & Maintenance
- Miscellaneous
- Capital Expenditures
- Debt Service

All transfers of appropriations between funds and supplemental appropriations require City Council approval. The City Manager may transfer unexpended and unencumbered appropriations between departments within a fund without City Council approval. Supplemental appropriations must also be filed with the Office of State Auditor and Inspector.

In accordance with Title 60 of the Oklahoma State Statutes, the Glenpool Utility Services Authority and the Glenpool Industrial Development Authority are required to prepare an annual budget and submit a copy to the City as beneficiary. However, there are no further requirements such as form of budget, approval of the budget or definition of a legal level of control.

## **Basis of Accounting**

Basis of accounting refers to the time at which revenues and expenditures or expenses are recognized in the accounts and reported. Governmental funds are accounted for using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when they become measurable and available as net current assets. Available means collectible within the current period or expected to be collected within 60 days after year end and be used to pay liabilities of the current period. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. Exceptions to this general rule include unmatured principal and interest on general long-term obligations which are recognized when due. This exception is in conformity with Generally Accepted Accounting Principles.

Property tax revenues and sales tax receipts are considered measurable and available when collected and recognized as revenue at that time. Licenses and permits, fines and forfeits, and miscellaneous revenues are recorded as revenues when received in cash because they are generally not measurable until actually received. Investment earnings are recorded on the accrual basis in all funds.

Intergovernmental revenues are recorded on a basis applicable to the legal and contractual requirements of the various individual grant programs.

All proprietary funds are accounted for using the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable. Expenses are recorded in the accounting period incurred, if measurable.

Encumbrances represent commitments related to unperformed contracts for goods or services. Encumbrance accounting, under which purchase orders, contracts and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation, is utilized in the governmental funds. Encumbrances outstanding at year-end are reported as reservations of fund balances and do not constitute expenditures or liabilities since the commitments will be honored during the subsequent year. For budgetary purposes, encumbrances outstanding at year end and the related appropriation are carried forward to the new fiscal year. Encumbrances constitute the equivalent of expenditures for budgetary purposes.

## INTRODUCTION

## FUND DESCRIPTIONS

### City of Glenpool Funds

The basic accounting and reporting entity for the City of Glenpool is a fund. A fund is defined as “an independent fiscal and accounting entity used to record all financial transactions related to the specific purpose for which the fund was created”. Funds are established for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

Funds used in government are classified into three broad categories: governmental, proprietary and fiduciary. Governmental funds include activities usually associated with a typical local government’s operations (general government, public safety, parks activities, streets, etc.) Proprietary funds are used in governments to account for activities often found in the private sector (utilities, airports and golf courses are prime examples). Fiduciary funds are utilized in situations where the government is acting in a fiduciary capacity as a trustee or agent. The City currently has no Fiduciary funds. The various funds are grouped in fund types and categories as follows:

### Governmental Funds

Include activities usually associated with the governmental entities’ operation (police, fire, and general governmental functions).

#### General Fund

The primary operating fund of the City. All general tax revenues and other receipts not allocated by law or some other contractual agreement to other funds are accounted for in the General Fund. Expenditures of this fund include the general operating expenses traditionally associated with governments such as administration, public safety, streets, and parks.

#### Special Revenue Funds

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally or administratively restricted to expenditures for certain purposes.

- **Hotel-Motel Tax Fund** – The sole source of revenue for this fund is the 5% hotel/motel occupancy tax received by the City in the General Fund. This tax revenue is for the purpose of encouraging, promoting and fostering economic development, culture and leisure in the City of Glenpool as specified in Ordinance # effective
- **Public Safety Personnel Fund** – budgets and accounts for specific revenues and expenditures pertaining to public safety personnel funded by a special 0.55% sales tax approved by Glenpool voters on April 5, 2016. This permanent tax became effective July 1, 2016.

#### Debt Service Funds

Debt Service Funds are used to account for the acquisition of resources and payment of principal and interest on general long-term debt. Typically, a Sinking Fund is used to budget and account for ad-valorem taxes levied by the City for use in retiring general obligation bonds, court-assessed judgments, and related interest and fiscal agent fees. The City currently has no general long-term debt and no active Sinking Fund.

# CITY OF GLENPOOL FY2018 ADOPTED BUDGET

## INTRODUCTION

## FUND DESCRIPTIONS

### Capital Project Funds

Capital Project Funds are used to account for the acquisition, construction, and improvement of capital facilities other than those financed by proprietary funds.

- **Capital Improvement Fund** – budgets and accounts for capital improvements funded by a one penny sales tax approved by citizens in 2001 and effective through March 31, 2021. These funds may also be expended for retirement of debt as provided in the ordinance. In FY17-18, these funds are transferred to the GUSA for debt service.
- **Parks and Recreational Fund** – budgets and accounts for revenues from housing developers for park improvements.
- **Streets & Infrastructure Capital Fund** – budgets and accounts for streets and infrastructure improvements funded by a 0.29 percent sales tax approved by citizens on April 5, 2016. The tax is effective January 1, 2017 through December 31, 2036.
- **Public Safety Capital Fund** – budgets and accounts for public safety equipment and capital improvements funded by a 0.26 percent sales tax approved by citizens on April 5, 2016. The tax is effective January 1, 2017 through December 31, 2036.

### Proprietary Funds

There are two classifications of Proprietary Funds: Enterprise Funds and Internal Service Funds. Internal Service Funds are used to account for goods or services provided to other funds, departments, or agencies of the City. The City currently has no Internal Service Funds.

### Enterprise Funds

Enterprise Funds are used to account for activities that are operated in a manner similar to a private business enterprise, where the cost of the goods or services are to be financed or recovered primarily through user charges.

- **Glenpool Utility Services Authority Fund** – budgets and accounts for activities of the public trust in providing water services to citizens.
- **Glenpool Industrial Authority** – budgets and accounts for activities of the public trust in supporting economic development as well as the operation of the Glenpool Conference Center.

## INTRODUCTION

## BUDGETED POSITIONS

### FY2018 Budgeted Positions

The City's workforce includes general, non-represented employees as well as public safety employees represented by the International Association of Firefighters (IAFF) and the Fraternal Order of Police (FOP).

The FY2018 Adopted Budget contains authorization for 90 positions throughout the City, including 86 full-time positions and four part-time positions. This is an increase of one part-time position compared to the FY2017 budget. Note that eight positions were added in FY2017 after hiring water and sewer employees for duties previously out-sourced, and one streets and parks laborer. Also added in FY2017 were seven firefighters and five police officers as a result of the new sales tax levy passed by voters in April, 2016.
