Deposit Amount: \$ _____ Connect/Transfer Amount: \$ _____

Connect: _____ Read and Leave On: _____ Time: 10a-12p _____ 2p-4p _____

_____ **Deposit:** A deposit and connection/transfer fee is required on all water accounts before water service will be established.

_____ **Billing:** Utility bills are generated on or about the 15th of each month and due on the 10th, or the next business day if the 10th falls on a weekend or holiday. Late payment penalties of 10% are applied and reminder notices are sent on or about the 11th of each month. Service interruption, due to non-payment is performed on or about the last Tuesday of each month. A minimum bill consists of consumption volumes up to 1,000 gallons.

_____ **Payment and Location:** Bills may be paid at: **14526 South Elwood Avenue.** Monday – Friday 8:00 a.m. – 4:30 p.m. In our drive-thru, you will also find a night depository. We offer online bill pay or payment by phone. Cash, Checks, ACH bank draft, VISA or Master Card are all acceptable methods of payment. Payments may be mailed to: **City of Glenpool, 14526 S Elwood Ave, Glenpool, OK 74033.**

_____ **Returned Checks or ACH Drafts:** If the City of Glenpool receives two (2) insufficient items we can no longer accept checks or bank drafts from that resident for a period of one (1) year from the date of the last returned item. Payment must be made by debit/credit card, money order or cash only. There will be a \$30 return item fee. Notification of a returned item will be a discreet door tag placed on the customer door by a utility serviceman, and payment must be made within 24 hours.

_____ **Service Request, Cutoffs, and Changes:** Service request and changes must be made before 2:00 p.p. to be performed the same day. Request made after 2:00 p.m. will be scheduled between 10 a.m. – 12 p.m. or 2: p.m. – 4:00 p.m. for a later day. Any service may be terminated for non-payment, on or after the last Tuesday of the same month as the due date. Upon service termination for non-payment, the meter shall be locked or pulled. Customer will continue to receive a minimum bill until the account is processed as a final. To resume service, the delinquent balance of the bill plus a \$30.00 re-connect fee shall be paid. Accounts disconnected for non-payment must be paid prior to 6:00 p.m. to have service restored the same day.

_____ **Water Meters:** Meters are read the first two weeks of each month. A limit of three (3) customer re-reads per calendar year, for each separate account, shall be permitted at no cost. Additional requests shall be assessed a \$30.00 fee per re-read, which will be added to the customer's account. The fee will not be assessed if the reading is found to be incorrect.

_____ **Leak Detector and Detection (Tampering with Meter):** It is unlawful for **anyone** other than a utility employee to repair or turn meter off/on. Should our service technician notice that someone has tampered with a meter, he/she will report the incident to the office. The service shall be immediately terminated; and a penalty up to as much as the law will allow may be imposed, upon conviction in municipal court.

_____ **Moving or Disconnecting Service:** **When moving from a residence you MUST notify Utility Billing of the date water is to be disconnected in order to stop the billing process.** You will need to provide a forwarding address for your final billing. Your final bill cannot be processed until a final read has been applied to billing, therefore you will normally receive one more bill beyond the date of disconnection. Deposits on accounts will be applied to the final balance and any refund will be sent to the forwarding address if the deposit is less than the final bill, the final bill will be mailed and due the 10th of the following month. IF you move and transfer service to a property within the City of Glenpool and the final bill is not paid in a timely manner the final balance due will be assessed to your current address.
